

# The Language of Textiles: *Unravelling Ornament*

ARTISTS: CHRISTL BERG, JANINE COMBES,  
CHANTALE DELRUE, JAN DINEEN, JANELLE  
MENDHAM, JULIE PAYNE, DENISE RATHBONE,  
JANE SLADE AND FRANCES WATSON.

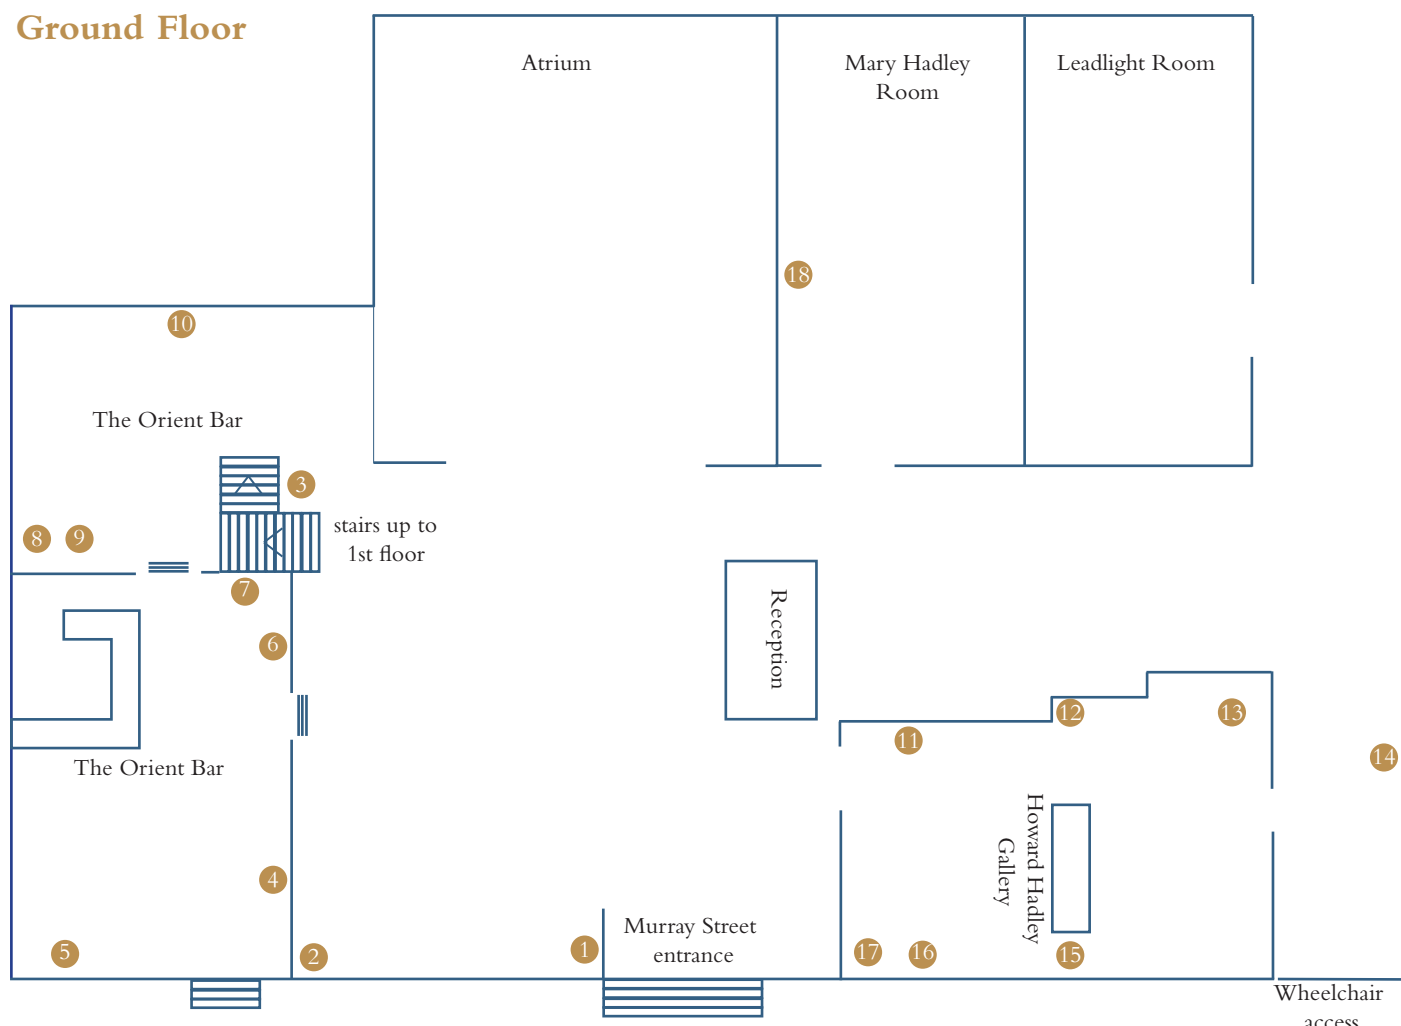

CURATED BY DR LLEWELLYN NEGRIN

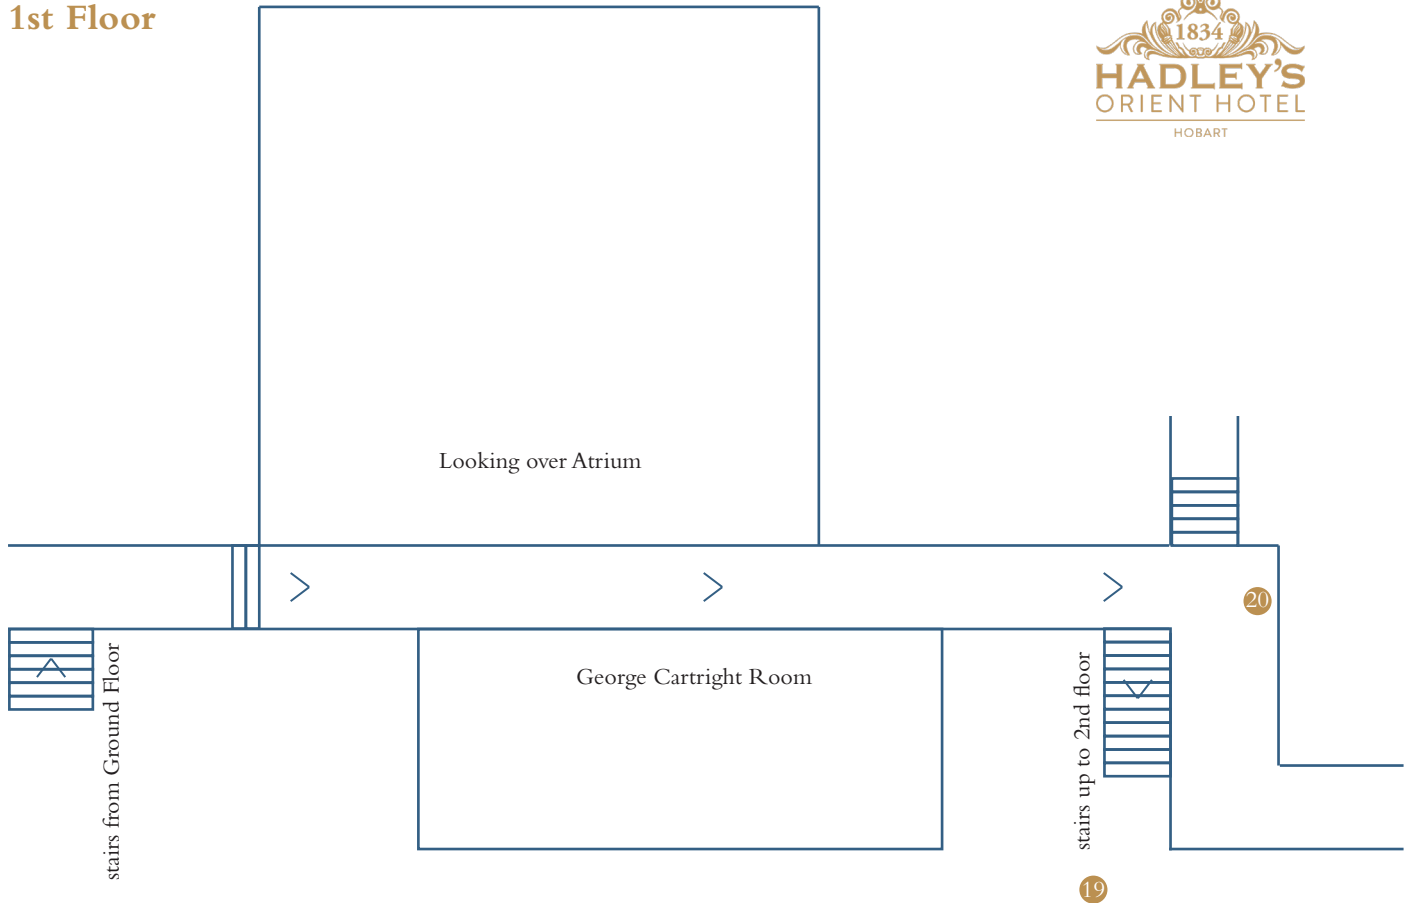

Nine Tasmanian artists have spent time in our hotel, and have created artworks that respond to our elaborate interior decor. Taking inspiration from late Victorian designs, the interior decoration at Hadley's Orient Hotel pays homage to the hotel's beginnings. The sumptuous collection of decorative carpets, wallpaper, upholstery and curtains combine to create an atmosphere of luxury and exoticism.

Reflecting on the nature and meaning of textiles, these artists interpret their thoughts through drawing, sculpture, jewellery, photography and textile making.
